Junior Operational Manager

For our plantations in Ghana

we are looking for immediate employment a

Junior Operational Manager

Milani Planet is a leading, independent, Swiss family-owned group of companies existing since 1993 that produces high-quality agricultural products and has control over the value chain from cultivation to retailer in Europe and abroad. Our focus is on market expansion, sustainability, health and innovation.

As **Junior Operational Manager**, you support the Operational Manager in leading and supervising the day to day operations of all departments of our plantations in Ghana. You handle all duties which guarantee a smooth, efficient and safe operation. You streamline processes to develop, reviewing, and improving our quality. You make sure we are always acting according to the rules and regulations of the Country as well as our own rules and regulation.

MILANI PLANET AG
THE FRESH COMPANY
